

Lakshy Management Consultant Pvt. Ltd.

ISO 9001:2008 Certification

Online Consultancy

Convenient & Fast
way of consulting

On Line Consulting

Benefits of On-line Consultancy

- Minimum time requirement for completion of ISO 9001:2008 certification process.
- No effect on normal work schedule of the employees.
- Consultants available 24 hours to assist the organization for any of the issues related to ISO 9001 Quality Management System.
- Very economical. Costs very less compared to on-site consultancy charges for ISO 9000 in India, European Countries, USA & African Countries.

Our Approach

Our online consulting approach is very similar to conventional/on-site consulting.

The only difference is that most communication between our experienced consultants and client organization would be by electronic mail or net meeting.

On-line ISO 9000 Consultancy

STEP - 1

- We send you data capturing format to get the required information about your organization and it's operations.
- You send us the filled format back.
- We get a complete picture about your organization required for the ISO 9000 consultancy process.

On-line ISO 9000 Consultancy

STEP - 2

- We design customized awareness presentation on ISO 9000 and send you through e-mail.
- We conduct net meeting with all the concerned employees to discuss about ISO awareness training.

On-line ISO 9000 Consultancy

STEP - 3

- Quality Policy and Quality Objectives

Interaction with top management and senior management to decide the **QUALITY POLICY** of the organization and associated **QUALITY OBJECTIVES**.

On-line ISO 9000 Consultancy

STEP - 4

- Document Design as required by ISO 9001 standard

Development of customized documentation to ensure complete compliance with the ISO 9001 standard requirement.

- Quality Manual
- Quality Procedures
- Quality Forms
- Quality Work Instructions

On-line ISO 9000 Consultancy

STEP - 5

- Implementation of the ISO system by the organization.

As per the documents designed by us, your organization implements them and we provide 24 X 7 online support to solve any of your documentation related queries.

Our assistance ensures that documentation is implemented with maximum effectiveness in your organization.

On-line ISO 9000 Consultancy

STEP - 6

- Internal Audit Training
- Internal Audit conducted by the organization.
- Management Review Meeting Conducted

On-line ISO 9000 Consultancy

STEP - 7

- Document Review Audit by the certification body.
- You send us the document review report.
- We modify the documents if required as per the review report.
- We send you back the modified documents.

On-line ISO 9000 Consultancy

STEP - 8

- Final Certification Body Audit

Organization awarded ISO 9001:2008 certification after the audit conducted by the certification body.
