ABOUT US

Lakshy Management Consultant Pvt. Ltd. is one of the largest & fastest growing business management consulting organization offering business consulting services to organizations of all nature and size.

Quality Solutions to empower your initiatives

We provide one of the most comprehensive suites of consulting services, products & training in the fields of Quality Management, Marketing Management, Human Resources Management, Finance Management & Strategic Management to the organizations across all the industry verticals for building a progressive and profitable organization by creating a sustainable competitive advantage in the market.

Our Mission is to provide effective, competitive, result oriented & practical business solutions to the organizations to optimize their operational efficiency in order to maximize return on investment & ultimately to achieve their LAKSHY.

Lakshy Management Consultant Pvt. Ltd. specializes in value added consultancy for the entire range of management system certifications. We specialize in ISO 9001:2008, ISO 14001, HACCP, ISO 22000, OHSAS 18001, SA 8000, TS 16949, BS 17799, ISO 17025 NABL, ISO 22000, ISO 27001, ISO 28000, BS EN 16001 etc.

ABOUT US

We help you transform your business so that it responds quickly to ever-changing levels of competition, customer expectation and market flux across the world covering Asia, Europe, Australia, Africa with strong client base in India, USA, UK, Saudi Arabia, UAE, Australia, Europe and Africa.

This means rethinking how processes, people and information can be integrated across your company. Reinventing rigid, costly or under-productive processes. Replacing them with flexible, scalable, productive and cost-effective processes by utilizing ISO 9001:2008, ISO 14001, OHSAS 18001, ISO 17025, ISO 27001, HACCP ISO 22000, SA 8000 and other international management systems.

We provide solutions that change the way people work and organizations do business. In virtually every industry, from manufacturing to financial services, Information Technology to education, health care to trading, Lakshy Management Consultant Pvt. Ltd. has been helping companies leverage their resources by reducing their operating costs and increasing their productivity.

We possess the domain expertise to understand the critical issues facing your business & we offer proven modules & comprehensive services that streamline process & reduce complexity of operations. More importantly they are tailored to reduce costs & take your business to a new level of competitive advantage.

A leading global strategic
management consulting firm

Our Team

The foundation upon which our team is created is based upon the premise that motivated people and long-standing relationships are the ultimate tools of success and creativity, energy, perseverance and loyalty are just as important as a platinum resume.

We have a team of highly qualified and experienced professionals with proven problem solving, consulting and analytical skills. Our Team consists of Domain Experts & Technical Specialists to provide world class consulting solutions to our clients.

When you need a **CHAMPION** to bring in **EXCELLENCE**,

We have a **TEAM** to do it...

The primary strength of our consultants is to partner the client organization to optimize resources & implement the improvement strategies successfully. An assignment begins with an accurate assessment of people, processes, performance and strategies.

Our consultants define competitive strengths, threats and opportunities to define performance gaps and growth potential. To assure successful implementation and competitive advantage, our consultants will develop execution plans and control plans for the management system under consideration.

Our Team

Unique Bottom-Up consulting approach of our consultants ensures success of our consulting assignments. This approach ensures that improvement plans are accepted & practiced at all the levels of management. We have an unmatched 100% success rate for all the projects and international certifications.

Irrespective of nature and size of the organization, our consultants with their easy to implement consulting approach make any of the management system certifications like ISO 9001:2008 ISO 14001, ISO 27001. HACCP, ISO 17025 etc. look simple and easy to implement.

All the consultants work with a single passion – “Partnering the client organizations in their journey towards excellence and achieve sustainable competitive advantage.
